1. Claims 1-11 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record neither discloses nor suggests a reproducing/recording apparatus having combination structural limitations including a disk gate, a disk, a recording/reproducing mechanism, a loading mechanism, a groove and a start mechanism as set forth in claim 1. Particularly, the prior art of record does not teach a loading mechanism for advancing and retracting the case between a position where the disk faces the recording/reproducing mechanism and a position near the disk gate, the loading mechanism including a motor, a gear mechanism coupled with the motor, and a rack coupled with the gear mechanism and provided along an advancement and retraction direction of the case; wherein a groove is formed on at least one of the rack and the case for allowing a relative movement of the rack and the case along the advancement and retraction direction; and wherein a start mechanism is formed between the case and the gear mechanism for starting rotation of the motor when the case advances to a predetermined position, as recited in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
